BULOVA

\$188.00

Bulova Mens Watch

From the classic collection, stainless steel with blue dial, curved mineral glass, deployant closure and water resistance to 30 meters. Diameter: 35mm x 45mm

Model/Product #96A169 – Silver

UPC - 042429529700

\$149.00

Bulova Men's Watch

Bulova men's bracelet calendar watch is the epitome of quiet luxury, silver-tone stainless steel construction offers both durability and cool elegance, making this dress watch both distinctive and versatile, quartz movement ensures precision and reliability while silver-tone hands and bar markers on a streamlined sunray silver dial look sleek and sophisticated. Features a date display at three o'clock, and a polished bracelet band with fold-over clasp with push-button safety for secure wear. Water resistant to 99 feet this Bulova original is both shock-resistant and anti-magnetic, includes a scratch-resistant crystal, and has a clean classic aesthetic appeal that's ideal for work or dress wear.

Model/Product #96B015 – Silver

UPC - 042429435438

\$224.00

Bulova Men's Watch

A distinguished look takes this Bulova men's black dial bracelet watch a step above the rest. The large, round, black dial features silver-tone baton indexes and dauphine hands with luminous fill, an innovative day display inside three and four o'clock, and two convenient sub-dials with the date and a 24-hour clock. The protective mineral crystal is slightly curved and framed by a wide black bezel and gilt metalized rim. Fastening quickly and securely with a deployment clasp, the stainless steel bracelet features narrow links fanning out from the bold watch face. This striking timepiece is powered by reliable Japanese-quartz movement and is water resistant to 99 feet (30 meters).

BULOVA

\$224.00

Bulova Men's Watch

With a handsome classic design, the Bulova men's black dial bracelet watch is intended for the sophisticated modern man. The black dial is smartly contrasted by silver pitched dauphine hands with cut tips and baton indices on the hour, the stainless steel case features a mineral crystal window, a silver metal rim, and a stationary screw-accented bezel. Three subdials, two red and one silver, indicate the day of the week, day of the month, and 24-hour time. The stainless steel bracelet sports a fold-over clasp with double push-button safety. This Bulova watch uses high-quality Japanese quartz movement and is water resistant up to 99 feet (30 meters).

Model/Product #96C107 – Silver

UPC - 042429462373

\$374.00

Bulova Men's Watch

The Bulova men's marine star calendar watch features handsome angles and edges for a sharp look, a water-resistant black rubber band is enhanced by angled edges and joins to a gold-tone stainless steel case with a similar angled design, an octagonal black frame is topped by a gold-tone stainless steel bezel that features black screw-down accents and fashionable side cuts, a black dial displays stick and Arabic numeral minute markers, silver-toned roman numeral and shape hour indicators, as well as a Bulova logo at the 12 o'clock position. Three Subdials, a date window at the four o'clock position, and luminous skeleton hands complete the appeal of this fine timepiece. The Bulova men's marine star calendar watch is water resistant to 330 feet.
